

Message from the Director

Dear Parents,
September is now behind us. We would like to congratulate all the new children who have joined us as well as the children who are continuing with us for making the start of our new school year a success. I thank the older children for the kindness that they have shown their younger colleagues and for their sense of humour. I'm proud of you! The teachers, of course, deserve a medal for welcoming the children back with a warm heart and plenty of patience. A heartfelt thanks goes out to all the teachers. I look forward to the coming autumn. With warm scarves and jackets we will embark on the adventure that this beautiful time of year brings.

Palika's & Klara's Group: Lady Birds & Pixies

Ladybirds and Pixies have been join together during September, which gave all the children in both groups an opportunity to get used to each other and get to know each other better. We've concentrated on circle time, when children learn to sit together, listen to stories being read out and listen and join in singing nursery rhymes, such as Turtle Tim – a great success with Nihal, Eva's favourite Wheels on the Bus and Vojta's Row, row.... We've made our new placemats using children's handprints and drawing, measured Pixies and recorded their height on the door, did glueing – making a Halloween pumpkin slightly in advance and pasta glueing, hand painting and rolled playdough. Thanks to a good weather we were able to spend a lot of time in the garden or walking (running☺) in the park.

Louise's Group: Cheeky Monkeys

This month the children have been getting used to the school routine, meeting new friends and have been making decorations to decorate the classroom. We have also been looking at the letters A, B and C and the numbers 1, 2 and 3. The children have also been learning about where animals live and about feelings and emotions. We have had a lot of fun looking at facial expressions and trying to guess what they are! Next month we will be working on the letters D, E and F and the numbers 4, 5 and 6. The children will also be looking at a map of the world and where we all come from. There will also be some science fun with prisms and rainbows! The Cheeky Monkeys are having great fun as a class and it's really great to see them working so hard during their educational activities, I'm really looking forward to next month!

Martina's Group: Tree Frogs

This month the Tree Frogs have been busy making their classroom their own. We just finished making our Friendship Tree and we look forward to watching it grow through our kindness to each other. The Tree Frogs have also been busy learning their A, B, C's and the numbers 1 and 2. In Drama they have been busy making their set for Goldilocks and the Three Bears. We will be working on costumes next and the dramatization of one of our favourite stories.

Next month we will be looking at the letters D, E and F and the number 3 and 4. As the leaves change colour we will be looking at colours and exploring the changes that are brought on by the season of autumn.

Tree Frogs working on the set for Goldilocks.

Birthdays this month...

Important Dates to put on your Calendar!
